

Year 5 Daily Maths & English activities for Key Skills

If possible, try to establish and stick to a daily routine with a start and finish time for the ‘school day’.

Incorporate frequent breaks to complete exercise, Yoga or Meditation to help concentration. There are plenty to choose from on You Tube or play your favourite piece of music and create your own dance routine.

Here are some additional activities your child can complete each day that are like those done in school. Spellings can be found on the class homework page. These are in addition to the weekly Maths and English set on My Maths and Purple Mash and the tasks set on the homework page on the school website.
