

Year 5 Homework

Homework will usually be given out on a Thursday and is to be handed in by the following Wednesday. Unless otherwise stated, the best way to hand it homework at the moment will be via a picture or message on the child's portfolio on Class Dojo. The type of homework may vary and will always be stated clearly when uploaded onto the class page.

This week, for a gentle start, I would like the children to spend some time on TT Rockstars. They have all been given another copy of the login. It would be good if they could choose a times table they are not so confident at and try to improve their score/time.

Reading is expected on a regular basis and, from this Thursday, the children will be able to bring a reading book home from school. Reading records will stay at home so parents can sign to say they have heard their children read. When staff read with children at school, we will use separate form. If your child brings a book home on Thursday and finishes it over the weekend, they can bring it in on Monday so it can be cleaned and isolated before being returned to the set, ready to be picked again by another child on Thursday. If the book has not been finished and brought in on Monday, it should be kept for another week and returned the next Monday. To be clear, the only day reading books will be sent home is Thursday and the only day they should be returned is Monday. Reading records should stay at home and be used there.

Thanks.
